

Elton Photography

A division of
ISIS Media

Honor your executive today by giving them the gift of an Isis Executive Portrait! While many people understand the value of a quality business portrait, they rarely find the level of service found at the hands of an experienced Isis photographer. For a convenient, comfortable, and premier portrait experience, give your favorite executive the opportunity to be photographed by a Isis professional today.

Basic Executive Portrait Package

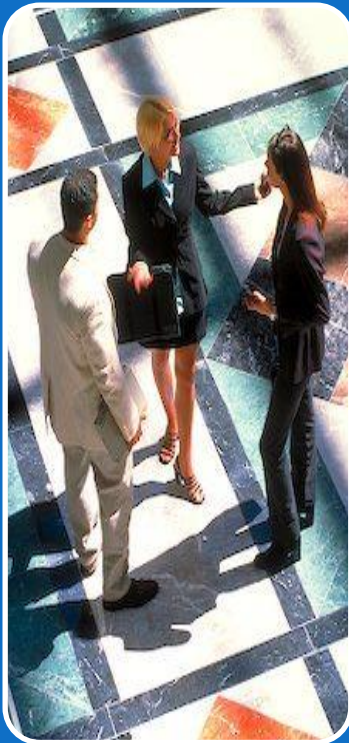

Package Includes

- Per Person Fee \$50 per person
- Travel to your office or preferred location
- Setup lighting and equipment in one area at the location (usually a conference room)
- Each individual comes in to take their portrait.
- This package takes approximately 5-10 minutes per person and is generally used for business cards and websites to show the company roster.
- Selected images provided on CD

Platinum Executive Portrait Package

Package Includes

- Portrait Fee \$50 per person
- Travel to your office or preferred location
- Real-Time viewing is possible with the platinum package to perfect your image on site. We are so sure you will like your pictures retakes are included at our cost.*
- This package takes approximately 15 to 30 minutes per person depending on the look you are trying to achieve.
- Selected images provided on CD

*Once you sign off on the image there is a fee to do a retake.
